Meet our Acacia flight boards. Like all our products, it's non-toxic, eco-friendly and even double-sided for easy use. Capable of holding shots and sampler glasses or offering multiple beer samples, this boards are perfect for serving and tasting. With round step-down cut-outs on one side and square shaped on the other, the three aligned cut-outs hold one glass each, while a smooth tapered handle ensures the ease of transport from cellar to tasting room. A narrow slit on one side allows for flight board cards or a menu sheet to be Inserted labeling the contents of the corresponding drink, sauce, or food. 100% made from plantation grown Acacia wood. Easy to care for and dishwasher safe.
